PROPOSED PARKING RESTRICTION FACT SHEET

Street: Estoria Street, SE
From: Memorial Drive, SE
To: Gaskill Street, SE
Side of Street: WEST
Council District: 5
NPU: N

The width of this section of Estoria Street, SE is approximately 24 feet wide. The narrowness of this street makes it difficult for emergency and garbage truck access as well as for traffic to move through. Consistent with City of Atlanta Code of Ordinances section 150-92, Office of Transportation recommends a parking restriction along the west side of Estoria Street, SE from Memorial Dr SE to Gaskill St SE. Parking will generally be allowed on the east side of Estoria St SE except near the intersection where corner clearance is in place or needed.
